

Men's Collection

Exotic Billfold Wallet

Our super suave Exotic Billfold Wallet has been handmade in smooth calf leather and luxuriously lined in snakeskin. Our snakeskin is very soft and due to the dyes which have been applied during the finishing process, they have a glistening, almost translucent finish. Each wallet has eight credit card pockets, two full length pockets for notes and two further pockets for business or travel ID card.

Harrison Six Watch Box

The John Harrison Watch box named in honour of one of England's most brilliant inventors, the man who against all odds persevered over a lifetime and invented the first accurate sea going clock in 1761. This allowed sailors and navigators to plot accurately their position, preventing untold shipwrecks and saving thousands of lives. A truly heroic achievement. The Harrison Watch Box is a fitting tribute, a truly luxurious heirloom made in the most beautiful croc-calf leather and lined in contrasting soft suede. Secured with brass lock and fittings.

Personalisation

Customers are asked to allow approximately 5 working days for the personalisation and engraving service. However each order will be dealt with promptly so in most cases we can usually complete within 3 days. At busy times of the year please allow between 7-10 working days for this service.

Personalisation types: your chosen text can be embossed using gold or silver foil as well as blind embossing, a technique of hot stamping into the leather without colour.

Personalisation options are given by each product shown in this catalogue, full details available online.
