Connaught Document Case

SMOOTH BLACK AND
CORAL BLUE
0921

Combining functionality and versatility with elegant Aspinall style, the Connaught Document Case is the perfect business accessory for busy executives looking for a slim-line alternative to a bulky briefcase. Handmade from the finest mock croc or smooth calf leather and lined in signature super-soft suede, this leather document case features retractable dual handles allowing it to be tucked under the arm or extend the handles to carry as a briefcase.

Satchel Briefcase

Our semi structured Satchel Briefcase is handmade in soft and supple hide leather, accented by contrast stitching and completed with Swiss made zips and fine Italian hardware. The vintage saddle strap brass buckles stylishly conceal the slide-and-shut clasps on the main flap closure whilst the central compartment is divided in two allowing ample space to accommodate a 15" laptop and everything you need for that all important meeting.

Ladies Business & Laptop Bag

Call it divine, call it practical, call it fabulous and you will not be exaggerating the impressive style, elegance and beauty of this ladies business and laptop case. Handmade in smooth french calf leather or mock croc calf with a traditional firm construction to give the case strength, the fittings are solid brass or nickel and the case closes with an Aspinal signature lock. Inside are three quilted padded compartments with a central compartment with a removable extra thick padded base for your laptop. Either side there is ample room for papers and storage pockets for your mobile, calculator or PDA. Mid length handles allow the case to be carried over the shoulder or at arms length.

Personalisation

Customers are asked to allow approximately 5 working days for the personalisation and engraving service. However each order will be dealt with promptly so in most cases we can usually complete within 3 days. At busy times of the year please allow between 7-10 working days for this service.

Personalisation types: your chosen text can be embossed using gold or silver foil as well as blind embossing, a technique of hot stamping into the leather without colour.

Personalisation options are given by each product shown in this catalogue, full details available online.
