Packaging information

This icon communicates the packaging information for each product. The number shown inside the box is the quantity of product per polybag. The carton weight is listed next to the box.

New product

Indicates 2013 New products. Look for the "NEW" icon on select product pages.

New colours

Refers to 2013 New colours. Look for the "NEW COLOURS" icon on select product pages.

General information

The page number listed by this icon directs you to additional information.

goinggreen™

We offer product solutions to help you and your customers advocate the so called green. goinggreen is a registered trademark in the USA and in EU and is in progress of registration worldwide.

Cabin friendly

This icon identifies products that meet carry-on luggage limits of most major airlines.

Laptop

Products with this icon are designed to hold and protect a laptop.

Can icon

Number of beverage cans the cooler can accommodate.

Mobius loop

Product contains recycled material. The % of recycled material weight of the product appears next to or inside the mobius loop.

EXCLUSIVE

Exclusive

Exclusive items only available through our catalogue.

WATERPROOF

Water proof

Fabric is able to withstand water, which is suspended on top of the fabric before seeping through.

WINDPROOF

Wind proof

Fabric is able to withstand wind, which is blocked and keeps the warmth inside the garment.

BREATHABLE

Breathable

This is measured by the rate at which water vapour passes through a garment. Measurement in grams of water vapour per square metre of fabric per 24 hour period.

2.0

Water depth

This icon identifies the maximum water depth reachable by the product.

USB capacity

USB memory capacity in Megabites or Gigabites.

Conform ISO 9994

ISO 9994

Conform ISO 9994

Child resistant

This icon identifies the lighters that accomplish the Child Resistant legislation.

TABLET

Tablet

Products with this icon are designed to hold and protect a tablet or e-reader.
