Packaging information
This icon communicates the packaging information for each product. The number shown inside the box is the quantity of product per polybag. The carton weight is listed next to the box.

200 = 2 Kg (approx.)

New product
Indicates 2013 New products. Look for the "NEW" icon on select product pages.

New colours
Refers to 2013 New colours. Look for the "NEW COLOURS" icon on select product pages.

General information
The page number listed by this icon directs you to additional information.

goingreen™
We offer product solutions to help you and your customers advocate the so called green.
goingreen™ is a registered trademark in the USA and in EU and is in progress of registration worldwide.

Cabin friendly
This icon identifies products that meet carry-on luggage limits of most major airlines.

Laptop
Products with this icon are designed to hold and protect a laptop.

Can icon
Number of beverage cans the cooler can accommodate.

Mobius loop
Product contains recycled material. The % of recycled material weight of the product appears next to or inside the mobius loop.

Exclusive
Exclusive items only available through our catalogue.

Water proof
Fabric is able to withstand water, which is suspended on top of the fabric before seeping through.

Wind proof
Fabric is able to withstand wind, which is blocked and keeps the warmth inside the garment.

Breathable
This is measured by the rate at which water vapour passes though a garment. Measurement in grams of water vapour per square metre of fabric per 24 hour period.

Water depth
This icon identifies the maximum water depth reachable by the product.

USB capacity
USB memory capacity in Megabites or Gigabites.

ISO 9994
Conform ISO 9994

Child resistant
This icon identifies the lighters that accomplish the Child Resistant legislation.

Tablet
Products with this icon are designed to hold and protect a tablet or e-reader.
