

CERRUTI 1881

CERRUTI 1881

Nino Cerruti rêvait de devenir journaliste. Il abandonne pourtant ses études de philosophie pour reprendre l'usine familiale de tissus. Nous sommes en 1950, il a 20 ans.

Grand connaisseur des processus de fabrication, il modernise les ateliers de tissages de son grand-père et investit dans deux usines milanaïses pour produire sa première ligne masculine présentée en 1957. Il inaugure le prêt-à-porter de luxe.

La griffe CERRUTI 1881 est officiellement lancée avec l'installation parisienne, place de la Madeleine. Rapidement, la maison Cerruti rayonne dans le monde, gage d'un style qui transforme ou révèle la silhouette, sans artifice. Fin analyste de l'évolution des mentalités, le créateur imagine de nouvelles lignes qui devancent la tendance.

Le succès accompagne aussi les parfums de la maison. NINO CERRUTI POUR HOMME connaît une descendance brillante : CERRUTI 1881 POUR HOMME avec son flacon iconique en verre sablé brut et son jus emblématique d'une masculinité raffinée est ainsi devenu un classique. La deuxième fragrance féminine, CERRUTI 1881 POUR FEMME, un floral boisé, séduit rapidement les amatrices de senteurs élégantes et naturelles.

Il est en outre impossible de dissocier la vie de Nino Cerruti du 7ème Art. Ami et couturier des stars, il fait briller son nom au générique de films mythiques. De BONNIE AND CLYDE à PRET-A-PORTER en passant par BORSALINO, WALL STREET, BASIC INSTINCT ou MARS ATTACKS, la maison habille les plus grands noms : Daniel Auteuil, Philippe Noiret, Jean-Paul Belmondo, Tom Hanks, Harrison Ford, Sharon Stone, Robert Redford, Michael Douglas, Denzel Washington, Clint Eastwood, ...

Nino Cerruti dreamt of becoming a journalist. He gave up his philosophy studies, however, to take over the family business. The year is 1950 – Nino is twenty years old.

An expert in production procedures, he modernizes the family weaving workshops and invests in two further factories in Milan to produce his first masculine collection in 1957. He thus inaugurates luxury prêt-à-porter.

The CERRUTI 1881 label is officially launched with the opening of a Parisian boutique, place de la Madeleine. The fashion house quickly becomes an internationally shining star, symbolic of a style that transforms or enhances the silhouette, naturally. A fine judge of human nature, the designer imagines new lines that are ahead of their time: CERRUTI 1881 FEMME, followed by CERRUTI SPORT and CERRUTI JEANS.

His perfume collection enjoys the same success. NINO CERRUTI POUR HOMME is the predecessor to classics including CERRUTI 1881 POUR HOMME, with its iconic sandy raw glass bottle and its fragrance emblematic of masculine refinement. The second feminine fragrance, CERRUTI 1881 POUR FEMME, a woody floral scent seduces a wide clientele with its natural elegance.

The life of Nino Cerruti is inextricably linked with cinema. Friend and stylist to the stars, his name shines in the credits of mythical films such as BONNIE AND CLYDE, PRET-A-PORTER, BORSALINO, WALL STREET, BASIC INSTINCT or MARS ATTACKS. The house dresses the biggest names in cinema: Tom Hanks, Harrison Ford, Sharon Stone, Robert Redford, Michael Douglas, Diane Keaton, Denzel Washington, Clint Eastwood, ...
